This information is provided for purchasers of the Colony Fast-Screen™ Kit (PCR Screen), FS0322H and/or the Colony Fast-Screen™ (Restriction Screen), FS0472H.

The PCR Screen kit contains PCRLyse™ Solution. A safety data sheet is provided for PCRLyse™ Solution.

The Restriction Screen kit contains Restricti-Lyse™ Solution. A safety data sheet is provided for this solution.

The Gel Loading Solutions found in each kit contain a dye, salts and a non-toxic organic that are at concentrations below 1% or are not thought to be hazardous. A safety data sheet is provided for this solution.

Epicentre recommends all normal precautions be taken whenever all hazards are not known. We recommend wearing gloves and avoiding direct contact with skin and eyes when handling biochemical and chemical solutions.

This information is believed to be correct; however, Epicentre makes no guarantee of the accuracy or completeness of the data and shall not be liable for any damages. This document is offered solely as a guide for the customer's consideration, investigation and verification. These suggestions do not replace state, municipal and/or insurance requirements. Any use of this information must be determined by the user to be in accordance with applicable federal, state and local regulations.
